

FOR IMMEDIATE RELEASE

33rd Assembly District Representative Chris Kapenga announces his candidacy for State Senate at Accurate Specialties in Waukesha

Waukesha, Wis. (July 27, 2012) - Accurate Specialties Inc., a composite gear manufacturing company and one of eight subsidiaries of The Fisher-Barton Group, hosted a visit from State Representative Chris Kapenga and fellow campaign supporters on Thursday, July 26, 2012.

Representative Kapenga chose the 33rd District Fisher-Barton location to announce his candidacy for the State Senate, which is being vacated by Senator Rich Zipperer. The Accurate Specialties stop was the first of four visits to companies within his district on Thursday at which he made the same announcement and received operational tours.

During his speech, Representative Kapenga extended his gratitude to Dick Wilkey, Fisher-Barton company founder, for his confidence and support of Wisconsin business. "When I met Dick a few years back, he was worried about the future of our state's business economy. Then we began to prove that Wisconsin IS in fact open for business with a strong and durable economy backed by government support, and Fisher-Barton committed to a multi-million dollar materials laboratory expansion. I was happy to be a part of the grand opening of this new lab last August, and in addition, this \$1.5 million dollar machine behind me was made in Wisconsin, for a Wisconsin business, and will help add more jobs in Waukesha and Wisconsin."

For more information on Accurate Specialties' bronze gear manufacturing capabilities please contact Bill Sanders, President, at Accurate Specialties Inc. in Waukesha, Wis., sales@accuratespecialties.com or 262-547-5450.
